In fact, it's the only way to solve crashing app problems on the iPhone and iPad.. I spoke to 3 Microsoft consultants on the phone and spent a lot of time uninstalling the apps, re-downloading them, re-installing, updating them, etc.. Press and hold the Home and Sleep buttons simultaneously ignoring the red slider should one appear until the Apple logo appears.. It is a good idea to restart your phone after a week because it may sound silly but it will keep your Android device healthy.. Let go of the buttons and let the device restart See if that fixes your problem.. Mar 20, 2020 If you tried all the solutions we have listed here, and nothing seems to work, delete that app.. Do you have that much tolerance to avoid apps crashing while watching movies or playing games? Move on to fix Apps keeps crashing on iPad Pro, 9.. There are many fun and useful apps on Google Play so you can probably find a similar app.. And we end up with an unfinished task which we were performing on iPad, as it was unsaved.. Updating apps, quitting apps, and updating iOS works Mar 20, 2020 If you tried all the solutions we have listed here, and nothing seems to work, delete that app. cea114251b [Hilary Duff Discography Rapidshare](#)
